### The Wine

The Barbera d'Alba D.O.C. AFFINATO IN CARATI is a classic of our Estate made for the first time in 1988.

From the oldest estate vines of Barbera. Elegant and with remarkable aging potential, this Barbera is vinified in stainless steel and then it's aged for about a year in neutral oak to let the wine evolve, harmonize in its components and bring out the complexity, grace of this grape.

Silky, dense structure, elegant and rich bouquet.
